

**KING
STARBOARD AS**
The Ultimate Marine Building Material™

- Durable, sure-grip material for virtually every walk-on marine application.
- Standard King StarBoard® matte finish on reverse side.
- Passes ASTM D2047 slip-resistant testing, scoring well above the industry requirement for ADA and OSHA.
- Single homogeneous sheet will not rot or delaminate.
- Available in large sheets up to 54" x 96" or 48" x 96".
- Custom sheet sizes available.
- Available in eight King StarBoard colors to match or accent any gelcoat.
- Unlimited custom/proprietary colors.
- Precise tolerances ensure consistent color, thickness and density.
- Environmentally stabilized for the harshest marine conditions.
- Easy to clean and never needs refinishing.
- Experienced boat builders and boaters know the King StarBoard brand and trust it more than any other.

Anti-Skid Marine Building Sheet

King StarBoard® AS is a sure-grip marine-grade decking material designed specifically for high-traffic areas. This unique product features a special high-friction surface polymer and dot pattern to prevent slipping and promote drainage. King StarBoard AS never needs maintenance other than normal cleaning, is excellent for gangways, steps, and virtually any walk-on surface, and is made in the same colors as King StarBoard for a perfect match.

Standard Colors

White/White
 Seafoam
 Sanshade
 Sea Pearl
 Light Gray
 Dolphin Gray

KING STARBOARD AS

The Ultimate Marine Building Material™

King StarBoard® was the first building material developed specifically to withstand the constant punishment of the sun, water and weather in harsh marine environments. Only King Plastic Corporation offers a complete line of specialty marine-grade materials which are designed to be used together for a perfect color, texture, thickness and flatness match.

From accessories to hatches to non-skid surfaces to upholstery backing, no other marine building materials compare to King StarBoard. Not wood. Not ordinary plastic. Nothing.

Popular Applications for King StarBoard® AS: Decking, Swim Platforms, Hatches, Ladder Treads, Bow Pulpits, Shower & Engine Room Grates.
