## HIGH LIGHT TRANSMISSION

Thermoclear Multiwall Sheet offers a high degree of light transmittance while blocking harmful ultra violet rays. In its structured sheet form, Thermoclear Multiwall Sheet also offers excellent thermal insulation properties.

## VIRTUALLY UNBREAKABLE

Thermoclear Multiwall Sheet is economical and light in weight, yet is 10 times stronger than acrylic and 200 times stronger than glass!

## EASILY FABRICATED ON SITE

Highly flexible, a Thermoclear Multiwall Sheet can be easily cold formed and will not crack or splinter when fabricated.

## ANTI-DRIP/ANTI-FOG COATING

Our Drippard coating ensures that greenhouse condensation is carried away from the roofing so that droplets will not damage your nursery stock. Call for more information and availability.

## POLYCARBONATE PROFILES

Join Thermoclear Multiwall Sheet with a complete line of polycarbonate profiles.

## WARRANTY

Thermoclear Multiwall Sheet carries a warranty against yellowing and breakage caused by hail, for 10 years.

Call today for complete product information and for a distributor in your area!
